Parents are a school's #1 partner when it comes to student success. To be an effective partner, it is important to understand how school quality is measured and how schools are being held accountable for the success of all students.

Please join us to:

- Walk through the 2017 star-rating system and how to use the information.
- Get your questions answered by Dr. Steve Canavero, State Superintendent.
- Find out how your child's school is doing.
